Term of office

**77.** There shall, at each general election for delegates to the General Assembly, be elected by the qualified voters of each election district in the several counties of this State, one road supervisor, who shall be a qualified voter and a resident of the district, whose duty it shall be to superintend and direct the repairs of the public county roads and bridges within his election district, in such manner, and under such regulations and restrictions, as may be directed by the county commissioners.

**78.** The sheriff of each county shall give public notice of the election of road supervisors, in the same manner and at the same time as of other public elections.

**79.** The return judge of each election district shall make the returns for the election of road supervisors, at the same time and in the same manner as other election returns.

**80.** The clerk of the Circuit Court, upon such returns being made, shall certify to the county commissioners who has been returned as having received the highest number of votes for road supervisor in each election district of the county.

**81.** Upon receiving such certificate, the county commissioners shall issue to each elected supervisor a commission setting forth the time for which, and the election district of which he has been elected road supervisor, and the amount of compensation he shall be entitled to receive, the amount of money, if any, appropriated for the repair of the roads and bridges which may be in his supervision, and setting forth also the time at which he shall report, and such other regulations and restrictions as they may adopt in relation to said office or officer.

**82.** The sheriff of each county shall deliver the commissions to the several road supervisors within his county, within twenty days after they are delivered to him, under the penalty of twenty dollars, to be paid to the county, for each neglect.

**83.** In the event of a tie between any two or more candidates for road supervisor for the same election district, the judges of election shall so return, and the clerk of the Circuit Court shall so certify to the county commissioners, who shall, in their discretion, commission one of the tie candidates as road supervisor.

**84.** Each road supervisor shall take and subscribe the oath prescribed by the Constitution and laws.

**85.** The term of office of road supervisor shall begin on the first day of January ensuing his election, and shall continue for two years from that date, and until the qualification of his successor.
