

quires the action of an acid upon it to cause it to become readily soluble in pure cold water.

**37.** Any manufacturer, dealer, agent, or other person or persons who shall adulterate, add to, or take anything from, any commercial manures or artificially manufactured or manipulated fertilizers labelled in accordance with the provisions of this act, or who shall use the brand or trade-mark of any manufacturer or dealer other than his own, shall be deemed guilty of a misdemeanor, and shall, upon conviction thereof in any court having jurisdiction, be punished by a fine not exceeding one hundred dollars, and imprisonment in jail not exceeding six months, or by both fine and imprisonment, at the discretion of the court before whom he shall be tried.

Id s 6  
Penalty for  
adulteration.

#### ILLUMINATING OILS.

**38.** All oils or fluids manufactured from petroleum or its products, used for illuminating purposes in this State, which shall be manufactured or kept for sale therein, shall be required to stand a fire-test of one hundred and ten degrees Fahrenheit before it shall burn, to be ascertained by Tagliabue's coal oil tester, or some other instrument constructed upon the same principle.

1874, c 504  
Fire-test re-  
quired for oils,  
etc , manufact-  
ured from  
petroleum.

**39.** Every person manufacturing or selling illuminating oils or fluids, manufactured from petroleum or its products, by the barrel, shall be required to have stamped upon the head of the barrel the name of the manufacturer thereof and his place of business, together with the words, "warranted to stand a fire-test of one hundred and ten degrees Fahrenheit before it shall burn."

Id s. 3  
Stamp required  
on head of  
barrel.

**40.** Whoever manufactures for illuminating purposes, or sells in quantities not less than a barrel, oils or fluids made from petroleum or its products, which does not sustain the fire-test provided for in section thirty-eight hereof, shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be fined not more than one thousand dollars, or imprisoned in the jail or penitentiary not more than two years, in the discretion of the court; whoever sells in quantities less than a barrel for illuminating purposes, oils or fluids made from petroleum or its products, which does not sustain the fire-test provided for in section two of this act, shall forfeit said oil, and be fined not less than five nor more than twenty dollars, said fine to be collected as other fines are now collected; one-half to go to the informer, the other to be paid into the treasury of the State.

Id. s 4  
Penalty for  
violation.

**41.** Any purchaser of oils or fluids made of petroleum or its product for illuminating purposes, bearing the stamp required in section three of this act, and which does not stand the fire-test required in section two, may recover from the seller in an action for debt an amount equal to double the purchase-money of said oil.

Id s 5  
What purchaser  
of oil, which  
does not stand  
fire-test, may  
recover from  
seller.

**42.** Any accident by reason of explosion, occurring with any oil or fluid manufactured from petroleum or its products, shall subject the seller thereof to prosecution for a misdemeanor, and upon con-
