MECHANICS' LIEN— <i>Continued.</i>	ART.	SEC.	PAGE
Not waived by giving credit or taking security	63	3	979
To what ground it extends	63	4	980
Owner of lot or farm may define in writing, and record bounds of lot or curtilage, and such designation shall be binding upon all persons	63	5	980
Owner or party having a lien may petition court to designate the boundaries.	63	6	980
Court thereupon to issue order to surveyor to make and report such designation.	63	7	980
Report, when approved by the court, to be conclusive.	63	7	980
Proceedings begun before boundaries are designated to be stayed by the court upon application	63	8	981
Lien to extend only to interest of party building the house	63	9	981
Sixty days' notice of lien necessary to be given to wife, where building is erected on her land, by her husband	63	10	981
Where contract for work or materials is made with architect or contractor, notice of sixty days necessary to be given to owner of the building	63	11	981
What notice shall contain	63	11	981
If notice can not be given by reason of absence of owner or other causes, it may be placed upon the front part of the building.	63	12	982
Owner receiving notice may deduct amount of such claims from cost of the building	63	13	982
Lien given without regard to amount of the claim	63	14	982
Such lien to have priority over all incumbrances subsequent to commencement of building	63	15	982
Should building be sold under decree before amount of lien claims is ascertained, court may appoint an auditor to state account.	63	16	983
Proceedings thereupon	63	16	983
Lien claim to be filed in clerks office of superior court or circuit courts	63	17	983
Such clerks shall keep "Mechanics' Lien Docket"	63	18	983
