State Board of Health.

1874, ch. 200 1880, ch. 438, sec. 2.

1. A board is hereby established which shall be known under the name and style of the "State Board of Health of Maryland"; it shall consist of seven members, as follows: four members, one of whom shall be an experienced civil engineer, and three of whom shall be experienced physicians, to be appointed by the governor, with the advice and consent of the senate, and a secretary, as provided in section 4 of this article; these five, together with the attorney general of the State, and the commissioner of health of the city of Baltimore, who shall be *ex-officio* members, shall constitute the said board of health. The persons so appointed by the governor shall hold office for four years; provided, that those first appointed shall be so classed by the governor that the term of office of two shall expire on the last day of January
