Fertilizers—Packages to be Stamped.

1886, ch. 477, sec. 1.

1. Every package of commercial fertilizer sold, offered or exposed for sale for purposes of manure within this State, shall have plainly stamped thereon the name of the manufacturer, the place of manufacture, the net weight of its contents, and an analysis stating the per centum therein contained of nitrogen, or its equivalent in ammonia in an available form, of potash soluble in water, of available phosphoric acid, of moisture, and the materials from which said nitrogen, or its equivalent in ammonia, phosphoric acid and potash, are derived, with an allowance of not more than
