

ELECTION DISTRICTS.

1878, ch. 108. 1882, ch. 143. 1884, ch. 325. 1886, ch. 208. 1888, ch. 4.

94. Garrett county is divided into eleven election districts according to their present bounds and limits, and elections for public officers shall be held in each of said districts at the places heretofore established by law.

1880, ch. 407.

95. The judges of election in said county shall each receive two dollars per day for each day they shall be engaged as such judges in receiving and counting ballots; and return judges of election living more than three miles from Oakland, in addition thereto, shall each receive as mileage, eight cents per mile for each mile over three miles traveled by them in going from their place of residence to Oakland to make returns of any election, and two dollars each per day for each day they may be occupied as such return judges in making said returns.

FENCES.

1884, ch. 805.

96. All fields and other grounds kept for enclosure in Garrett county shall be fenced with post and rail or plank or worm fences, made of good and substantial rails, at least four feet high from the ground to the top of the upper rail; and all worm fences not staked and ridered shall be at least four and one-half feet high to the top of the upper rail, and the first or under rail in post and rail or plank or worm fences shall not exceed five inches from the ground or embankment on which the same is or may be built, and the width between the rails or planks comprising the fence shall be such as is usual in the construction of good post and rail, plank or worm fences; and all brush fences made upon the ground shall be at least four feet high; and all brush fences made upon an embankment shall be at least three feet high; provided, the embankment be eighteen inches high, and provided that nothing contained in this section shall be so construed as to extend to other than outside fences between proprietors; and if any live stock of any kind or description whatever shall break into any person's enclosure, the same being
