

1868, ch. 433.

81. The twelfth election district is divided into three election precincts, with the metes and bounds established by the act of 1868, chapter 433.

1868, ch. 433. 1870, ch. 138. 1870, ch. 429. 1878, ch. 317.

82. It shall be the duty of the commissioners of Baltimore county to appoint three persons for each of said precincts, residents thereof, to act as judges of elections for said precincts, who shall perform the duties of their office as now required by law, and such judges shall make their returns in the same manner as if the said precincts were districts, and in accordance with the law now applicable to judges of elections for districts, and they shall receive the same compensation as other judges of election in said county.

1882, ch. 182.

83. When there shall be presented to the county commissioners a petition signed by not less than twenty-five qualified voters of any election district in Baltimore county, stating that for purposes of greater convenience of voting in their respective district they desire that said district shall be sub-divided anew into new election precincts, the county commissioners are directed and empowered to increase the number of precincts in said district to a number not exceeding ten, or to redistribute such precincts as already exist in said district, having regard as much as is practicable to the convenience of the voters in said district, holding in view as well the equal distribution of the number of qualified voters in each of said precincts as is reasonably practicable; each of said precincts to be designated by a number.

P. L. L., (1860,) art. 3, sec 101.

84. The judges and clerks of election in said county shall receive three dollars a day while acting as such; the return judges who reside over ten miles from the court-house, shall be entitled to two days' extra pay, and other return judges to one day's extra pay.

FENCES.

1870, ch. 437.

85. When the lands of any two persons adjoin, each of them shall make and maintain one-half of the whole length of the line
