

aforesaid, in the discharge of their duty, shall be paid by the county commissioners.

1882, ch. 186. 1884, ch. 513. 1886, ch. 53.

123. The county commissioners are authorized to provide a sufficient force of men and carts for the removal of garbage, ashes and all other offal from such parts of Canton, Catonsville and Towson, and their vicinities, as it may be necessary in the judgment of the sanitary officers to employ; and the said sanitary officers are authorized and empowered to have control of this force, and to report any failure or delinquency on the part of said force to the county commissioners.

Ibid.

124. All residents of such parts of Canton, Catonsville and Towson, and their vicinities as may be supplied with a force for the collection of garbage, ashes and other offal, shall be required to collect all offal accumulating on their premises into suitable receptacles, and put them in places convenient to the collectors of garbage and other offal; and any resident who shall allow such offal to accumulate on his premises without so collecting and so placing it, shall be subject to a fine of not less than one dollar nor more than five dollars; said fine and costs to be collected as other fines and costs are collected.

Ibid.

125. Any person who shall commit a nuisance by throwing offal of any kind into any alley, by-way, roadway, or upon any vacant lot in Canton, Catonsville, Towson, and their vicinities, shall be subject to a fine of not less than one nor more than five dollars.

Ibid.

126. Every owner of lots in Canton, Catonsville, Towson, and their vicinities, which are supplied with water from wells and springs, or other property having tenants, shall be required to place in each and every privy, water-closet or out-house, a water-tight box for the reception of all urinary and fæcal matters, under a penalty of five dollars fine for refusing or neglecting to supply the same; and such box shall be emptied by the occupant; and it shall be the duty of the party occupying said premises to
