

1884, ch. 437. 1888, ch. 153.

213. The county commissioners, at the time of the annual tax levy, are authorized, directed and required to make a special annual levy of ten cents on each one hundred dollars of the whole assessable property of the first and thirteenth election districts of Baltimore county, to be collected as other county taxes in said county are collected, and when collected, to be used by the county commissioners exclusively for the purchase of stone or other suitable hard materials for the purpose of macadamizing the county roads of said district; provided, fifty or more taxable residents of said district shall, prior to each annual levy, petition the said county commissioners asking that such special levy be made.

Ibid.

214. Every taxpayer of said district shall have the privilege of working out this special tax by hauling stones or other suitable hard materials upon the county roads nearest his farm or residence at such price per perch for the same as may be fixed by the road commissioners for said district, subject to the approval of the county commissioners; and said road commissioners, immediately after the levy in each year, shall, subject to the approval of the county commissioners, fix a uniform price for said materials as far as practicable; and whenever they are satisfied that any taxpayer has fully worked out this special road tax, they shall cause the chairman of the road commissioners for said district to give such taxpayer a certificate to that effect, which shall be received by the treasurer and collector of taxes for Baltimore county as so much money in lieu of said tax.

1884, ch. 50.
