

## CHEMICAL LABORATORIES.

P L L., (1860,) art. 4, sec. 149.

**387.** No person shall erect or assist in erecting any chemical laboratory within the limits of said city without the consent of the mayor and city council; and the mayor and city council may provide by ordinance for preventing the erection of any such laboratory, and for removing or preventing the use of any that shall be erected.

## COMMISSIONERS OF PHARMACY AND PRACTICAL CHEMISTRY.

1872, ch 414.

**388.** The term or name pharmacist, in the meaning and scope of the ten following sections, shall mean, embrace and apply to all persons engaged in vending at retail, drugs, medicines and chemicals for medicinal use, and in compounding and dispensing physicians' prescriptions, either as owners of stores, or as managing assistants in charge of stores.

1876, ch 91.

**389.** Any person who does or shall vend at retail, poisonous drugs for medicinal use, or compound and dispense physicians' prescriptions in the city of Baltimore, without complying with the requirements of said sections, shall be deemed guilty of a misdemeanor, and subject to a penalty or fine of fifty dollars for each and every week he shall continue to vend at retail poisonous drugs for medicinal use, or compound and dispense physicians' prescriptions, in violation of said sections; said penalty or fine to be sued for in the name of the commissioners of pharmacy and practical chemistry, appointed under section 390, and before a justice of the peace, as small debts are recoverable; one-half thereof to be paid to the board of public school commissioners of said city, and the other half to the treasurer of the Maryland college of pharmacy, for the use of said college; provided, however, that said sections shall not be so construed as to apply to or restrict the sale at retail of patent and proprietary medicines and compounds, prepared and compounded for medicinal use by wholesale dealers in drugs and medicines, when sold in
