

1872, ch. 414.

392. Each and every person, before commencing to vend at retail, drugs, medicines or chemicals for medicinal use, or to compound and dispense physicians' prescriptions in the city of Baltimore, as managing owner of a store, or as managing assistant of a store, shall register as a pharmacist.

Ibid.

393. Every person holding a diploma from a regular chartered and recognized college or school of pharmacy, based upon a full apprenticeship of four years as a pharmacist, and who presents satisfactory evidence of these facts to the said commissioners of pharmacy and practical chemistry, shall be deemed competent, and entitled to register as a pharmacist.

Ibid.

394. Said commissioners of pharmacy and practical chemistry shall demand and receive from each applicant for a certificate of competency whom they examine, five dollars for each examination, and shall likewise be entitled to demand and receive one dollar from every person whom they register; the money received under the provisions of this section shall be used and applied by said commissioners to defray their expenses.

1876, ch. 91.

395. In case of the death of a registered pharmacist doing business in the city of Baltimore, his legal representatives may continue said business for the benefit of the estate of said deceased, under the control and management of a registered pharmacist.

Ibid.

396. No person, unless he be registered as a pharmacist, or unless he be an apprentice who has had at least two years' experience under a pharmacist, who has attended at least one full course of lectures on pharmacy or chemistry and *materia medica*, shall be permitted to compound and dispense the prescriptions, except as an aid, under the supervision of a registered pharmacist. Any registered pharmacist violating this section, or per-
