

factory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has either received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college in the United States, or a diploma or license conferring the full right to practise all the branches of medicine and surgery in some foreign country and has also both studied medicine three years and attended three courses of lectures in different years in some legally incorporated medical college or colleges prior to the granting of said diploma or foreign license; provided, that two courses of medical lectures both of which shall be either begun or completed within the same calendar year, shall not satisfy the above requirement; provided, that this condition shall not apply to students who shall be in their second year in a medical college, nor physicians who shall be practising medicine on the first day of April, 1892. Such proof shall be made, if required, upon affidavit, upon the making of said application and proof and payment of fee as provided; the president of the board to whom such application was made, if satisfied with the same, shall direct the secretary thereof to issue to said applicant an order for examination, and when said applicant shall have passed an examination as to proficiency satisfactory to said board, the president shall grant to such applicant a license to practise medicine and surgery in the State of Maryland.

1892, ch. 206.

**44.** All examinations shall be conducted in such manner, that the name, school of graduation and preparatory training of said applicant shall not be made known to the board of examiners until his examination papers have been graded. An applicant receiving a majority of the votes of the board before whom the applicant appears shall be considered to have passed a satisfactory examination and entitled to the license of said board.

Ibid.

**45.** A fee of ten dollars shall be paid to the secretary of the board before whom the applicant appears, before such examination is had, which said fee shall be applied by said board towards paying the expenses of said board.
