

tration under the seal of the court, shall be legal evidence of such registration in all the courts of the State; provided, however, that the provisions of this sub-title shall not apply to those practising medicine in the State of Maryland prior to June, 1892, and who registered as practitioners of medicine prior to July, 1894.

1894, ch. 217.

55. All persons who have commenced to practise medicine or surgery in the State of Maryland since the first day of June, 1892, or who shall hereafter commence to practise medicine or surgery in this State, shall not be entitled to be registered in the registry of physicians and surgeons, as required by law, except upon filing with the clerk of the circuit court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of medical examiners of this State, in accordance with the terms of sections 47 and 48 of this article, except that physicians and surgeons who have come into this State since said first day of June, 1892, or who shall hereafter come into this State to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners, in accordance with the provisions of section 56 of this sub-title.

1894, ch. 217. 1896, ch. 194.

56. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of "medicine and surgery" within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this article, may make application to the president of either board of medical examiners of this State, which application shall be made under oath, and shall state when and how long such applicant has been engaged in the practice of medicine and surgery, and from what medical college, university or other institution of learning he or she has graduated. And thereupon, the board of medical ex-
