

1896, ch. 194

63. The said board of medical examiners shall have full control over the expenditures and disposition of the funds collected from the fees and charges authorized to be made under the terms of this article; and shall fix and allow such compensation as they may deem proper for service rendered in the performance of the duties required by this article by members of said board or others, with the full power also to allow and discharge all proper expenses of said board, and any surplus, to dispose of as said board may deem for the advantage of the practice of medicine in this State.

State Veterinary Medical Board.

1894, ch 278

64. A commission is hereby established to be known under the name and style of the "State Veterinary Medical Board," to consist of five commissioners, who shall be members in good standing of some school of veterinary medicine, who shall be appointed by the Governor every four years, and who shall hold their office until their successors are duly appointed and qualified, with power in and to said board to adopt by-laws and regulations, such as they may deem advisable to carry into effect the provisions of this sub title; provided, the said by-laws shall not conflict with the constitution or laws of this State or of the United States.

Ibid.

65. It shall be unlawful for any person or persons to practise veterinary medicine or surgery in the State of Maryland, without having previously obtained a diploma from a college duly authorized to grant such to students of veterinary medicine and surgery, or to those who have passed satisfactory examinations before the State veterinary medical board, or as herein provided for.

Ibid.

66. The said State veterinary medical board shall hold their meetings at such times and places as they may deem best, which times and places shall be set out fully and regularly in their by-laws.
