

no charge for wharfage shall be laid on any tobacco received at or delivered from any of the State warehouse wharves.

1898, ch. 814.

50 A. If any owner or owners of tobacco, or his or their agent or agents shall believe that any of their tobacco has been incorrectly sampled, and shall so notify the inspector before the sale thereof within ten days of the date of its inspection, the matter shall be referred to a committee of arbitration, consisting of three persons to be selected as follows: One thereof shall be selected by the inspector, one thereof shall be selected by the owner or owners of the tobacco, or their agent or agents, and the two thus selected shall select the remaining member of the committee; and said committee shall then have the power to require the deputy inspector in charge of said hogshead of tobacco to have the same re-opened and if it shall be found that the sample does not correctly represent said tobacco, the said committee or a majority of them, shall select a sample which shall correctly represent, and shall be substituted in the place of the rejected sample at no cost to the owner; provided, however, that if said sample shall be found by said committee to properly represent said tobacco, then the cost of re-opening said tobacco shall be paid by the owner of the same, and said cost shall be one dollar (\$1.00) per hogshead.

State Horticultural Department.

1896, ch. 290. 1898, ch. 289.

51. A State horticultural department is established for the State of Maryland; its purpose is to suppress and eradicate the San Jose scale, peach-yellow, pear-blight and other injuriously dangerous insect pests and plant diseases throughout the State of Maryland.

Ibid.

52. The profesor of entomology, the professor of vegetable pathology, and the professor of horticulture of the Maryland Agricultural College and Experiment Station shall be the State entomologist, State pathologist and State horticulturalist, respectively.
