1898, ch. 289.

62. The State entomologist, State pathologist and State horticulturist, shall submit annually a written report on or before the first day of February of their inspections and investigations to the board of trustees, which shall be transmitted to the Governor of the State and the General Assembly, and published, as are the reports of other State organizations, and distributed among the people of the State as bulletins of the Maryland Agricultural Experiment Station.

Ibid.

63. The report of the present State entomologist, including the work done by him up to the date of the passage of this sub-title shall be published and distributed as indicated and provided for in section 62, as the first annual report of the Maryland State entomologist.

Ibid.

64. The sum of ten thousand dollars the first year, and eight thousand dollars annually thereafter is hereby appropriated in order to carry out the provisions of this sub-title and properly provide for the above described inspections; to employ men qualified for their respective positions; to procure the requisite facilities and equipment necessary for the proper performance of the duties herein imposed, and to offer means of support for investigation in addition to the inspection work of the State officers, and the dissemination of information that will promote the horticultural and agricultural interests of this State.

Ibid.

65. The comptroller is hereby authorized to issue his warrant upon the treasurer of the State for the said sum of ten thousand dollars for the year eighteen hundred and ninety-eight, and the sum of eight thousand dollars annually thereafter, out of any funds not otherwise appropriated; said sum of money shall be payable to the Maryland Agricultural College on or before the first of October of each fiscal year, and the first yearly payment
