

and give a certificate of approval of its condition and the plan upon which it is conducted; and thereafter the president and secretary of the board of county school commissioners shall report to the comptroller the condition of the school, the number of instructors, and the number of pupils enrolled, on or before the twentieth day of January in each year.

1898, ch. 273.

112. The comptroller of the treasury, after receiving the certificate of approval concerning the county manual training school, or manual training department, according to the provisions of section 111, is hereby authorized and directed to issue his warrant upon the treasurer of the State for the sum of fifteen hundred dollars, payable to the order of the treasurer of the board of county school commissioners of the county filing the certificate of approval aforesaid, out of any moneys in the State treasury not otherwise appropriated, on the first day of October in each year, for the support of said manual training school, or manual training department.

Ibid.

113. The county manual training school, or the manual training department, and the school to which it is attached shall be under the management and control of the board of county school commissioners.

Ibid.

114. It shall be the duty of the board of county school commissioners of each county in this State, whenever a suitable building, or room or rooms connected with one of the colored schools of said county, shall be provided by the county to accept the same, (if, in the judgment of the said board there is any necessity therefor,) and thereafter to provide for the maintenance of such number of separate colored industrial schools as in their judgment may be needed, and the salaries of such teachers as may be required for that purpose shall be paid out of the general fund and the State aid hereinafter provided.

Ibid.

115. Whenever any such separate colored industrial school or schools are opened in any county, the president and secretary of
