

1898, ch 454.

3. The said commission shall see that proper investigation is made of the condition of the roads in this State, and of the best means of improving the same, together with a study of the classification and distribution of the road building materials in the several counties.

Ibid.

4. The said commission shall see that a report upon the state of the roads and the best method of improving, constructing and maintaining the same, with estimates of costs, expenses and plans, be submitted to the next session of the Legislature, and that special reports be prepared at such time as they are deemed necessary.

Ibid.

5. The said commission shall see that record is kept of all its proceedings, and of all moneys received and spent under its direction, and for what purposes; which record and account shall be submitted to the said commission at the semi-annual meetings of the same to take place in March and November, such records and accounts to be always open to the inspection of any committee which the Legislature may appoint.

Ibid.

6. All moneys paid out on account of this work shall be paid by the State treasurer upon the order of the executive officer of the commission, endorsed by the comptroller.

Ibid

7. The sum of ten thousand dollars annually, or so much thereof as may be necessary, is hereby appropriated out of any money in the treasury not otherwise appropriated, for the purpose of carrying out the provisions of this article.
