Gas and Electric Light Companies.

1890, ch. 588. 1894, ch. 308.

111. Any electric light company formed under this article shall have full power to manufacture and sell, and furnish such quantities of electric light or electric power as may be required or desired in any city or town of Kent, Talbot, Somerset, Carroll, Montgomery or Washington counties, of this State, in which or adjoining which the same may be located, for lighting the streets, roads, public or private buildings, or for motive power or other purposes; and such corporation is hereby authorized and empowered to lay, construct or build lines or conductors, under, along, upon or over the streets, squares, lanes, alleys and roads, paved or unpaved, and connect the same with any manufactory, public or private buildings, lamps or other structure or objects, and with the place of supply, subject, however, to any law or ordinance that may be passed by the municipal authorities of the city or town or the county commissioners having jurisdiction, for the filling up or restoring such streets or roads to their normal condition; and provided further, in the construction, maintenance, removal and repair of all such lines and appliances in Washington county, the same shall be done under such regulations as the Mayor and City Council of Hagerstown, or the County Commissioners of said county, having jurisdiction, shall prescribe; but nothing in this article shall authorize the incorporation of electric light companies for the purpose of carrying on business or conducting operations in Baltimore city.
