

1894, ch. 217, sec. 56 1896, ch. 194.

96. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of medicine and surgery within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this sub-title, may make application to the president of either board of medical examiners of this State, which application shall be made under oath, and shall state when and how long such applicant has been engaged in the practice of medicine and surgery, and from what medical college, university or other institution of learning he or she has graduated. And thereupon, the board of medical examiners shall have the authority and discretion to require applicants to undergo an examination, in accordance with provisions of sections 81 to 87, inclusive, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by the board of medical examiners, and upon paying the fee for examination, as set out in section 86. After the examination and determination of said board, thereupon, that said applicant is qualified to practice medicine and surgery and that he is entitled to a license, a license shall be issued to him to the same effect as the form of license set out in section 88, which license shall be filed and recorded as provided by section 89 ; and it shall then be the duty of the clerk of the court to register the name of the person so licensed as physician or surgeon, or both, in accordance with the provisions of this sub-title.

1894, ch. 217, sec. 57.

97. All persons whose licenses have been heretofore filed and recorded in accordance with section 89 shall be held to be duly registered physicians and surgeons within the provisions of section 94, and all persons who shall hereafter receive and file licenses, to be recorded in accordance with said section 89, shall be registered as physicians and surgeons under said section, and the fee to be paid for such registration and for the registration of the application to the clerk, or the license therewith, as the case may require, shall be one dollar.

Ibid. sec. 58.

98. If any person shall unlawfully obtain and procure himself to be registered as physician or surgeon, either by false
