

of the State, in the manner provided by the laws of this State for the enforcement of the forfeiture of the charter of any corporation which has abused or misused its corporate powers or franchises.

1888, art. 27, sec. 144. 1886, ch. 163, sec. 3.

230. If any corporation, or an officer, agent or servant of such corporation, or any person or any firm managing or conducting any horse railway in this State, or any agent or servant of such person or firm, shall do any act in violation of the provisions of section 228, it, he or they shall be deemed to have been guilty of a misdemeanor, and shall, on conviction thereof in a court of competent jurisdiction, be fined one hundred dollars for each offense so committed, together with the costs of such prosecution.

Health—Infants.

1894, ch. 511, secs. 1 and 2.

231. If any time within two weeks after the birth of any infant one or both of its eyes or the eyelids be reddened, inflamed, swollen or discharging pus, the mid-wife, nurse or person other than a legally qualified physician, in charge of such infant, shall refrain from the application of any remedy for the same, and shall immediately report such condition to the health commissioner or to some legally qualified physician in the city, county or town wherein the infant is cared for. Any person or persons violating the provisions of this section shall on conviction be punished by a fine not to exceed one hundred dollars, or by imprisonment in jail not to exceed six months, or by both fine and imprisonment.

Health—Milk—Pure—Skimmed.

1900, ch. 459, sec. 138 c

232. For the purposes of sections 232, 233 and 234 the standard for pure milk shall be not more than eighty-seven and one-half per centum of water or fluids, and not less than twelve and one-half per centum of milk solids, of which at least three and one-half per centum shall be butter fats.

Ibid. sec 138 d

233. For the purposes of said sections milk shall be deemed to be sophisticated, adulterated or unwholesome when it does not contain twelve and one-half per centum of milk solids, of which three and one-half per centum shall be butter fats ; or
