37. Authorized to settle claims of the State against certain officials which accrued prior to and including 1904. Approval of Governor and Treasurer of compromises necessary. Cost and fees.

1906, ch. 351.

**37.** The comptroller is authorized and empowered to adjust and settle the claims of the State against all collectors, sheriffs, clerks of courts, registers of wills and other collectors or receivers of public moneys and their sureties, and against corporations and individuals who may be indebted to the State in all cases where said claims accrued prior to and including the year 1904, and whether said claims be in the form of judgment or otherwise; and for the purpose of closing all such cases the comptroller is fully authorized to compromise the same by abating the interest that has accrued, or any portion thereof, or any part of the principal debt, in his discretion, so as to best subserve the interest of the State, and shall grant discharge to said parties and their sureties upon the payment into the treasury of the amount required by him to be paid in settlement as aforesaid; the comptroller shall be satisfied, after thorough examinations into the claims, that the same could not be collected by the State by legal process; and further, the governor and treasurer for the time being shall each approve, in writing, any such abatement before the same shall be effected; and no discharge or acquittance under this section shall be effective unless the party or parties to be benefited shall first pay the attorneys who shall have the case in hand the legal fees and all fees of clerks and sheriffs.
