

1906, ch. 711.

**93.** Such amended survey shall be filed in the offices of the clerks of the circuit court for the counties in which the original surveys hereinbefore provided are required to be filed, and when so filed shall be conclusive evidence in all the courts of this State as to whether the area embraced therein is or is not a natural oyster bed, bar or rock.

Ibid.

**94.** Whenever a petition is filed in the circuit court for any county, as authorized in section 91, the parties so petitioning shall deposit twenty-five dollars, to be returned to the petitioners if the judge shall determine in favor of the petitioners; but if the judge shall determine adversely to the petitioners, then said sum to be applied, so far as necessary, to the payment of costs incurred in the proceedings under said petition, and the balance to be returned to said petitioners.

Ibid.

**95.** The said board shall be authorized to call to their assistance the county surveyor of any county whenever in their judgment his assistance is necessary, and shall pay him for his services such compensation as is authorized by law for his services in other proceedings.

Ibid.

**96.** The board of shell [fish] commissioners shall cause an accurate survey of and delineation upon the maps and charts aforesaid of all bottoms of the tributaries of the Chesapeake bay where grass grows and it is profitable to scrape for soft shell or shedder crabs, and shall have such bottoms properly designated by permanent objects on the shore, as provided hereinbefore for natural oyster beds, bars and rocks, which said crabbing sections shall be exempt from leasing for oyster culture.

Ibid.

**97.** One of the steamers of the State fishery force shall be kept in commission under the command of the deputy commander, and subject to the control and direction of the commissioners from the first day of April in each year until the first day of October following, to assist the board in the per-
