

106. The Insurance Commissioner shall, annually, at the time of issuing a license to each insurance company doing business in this State, publish an abstract of the annual statement required by this act, of each insurance company doing business in this State, once a week for three consecutive weeks in a daily newspaper published in the city of Baltimore, except that in case of insurance companies of this State having their principal office in one of the counties of this State, the newspaper selected for such publication must be published in the county where such company is located; the companies shall, in addition, publish in another paper said abstract three consecutive times, and the Insurance Commissioner and the company shall cause the first appearance of the publication of fire insurance companies prior to the first day of March, and of life insurance companies prior to the first day of April; and the actual net cost of said publication by the Insurance Commissioner, he is hereby authorized to collect from each company the abstract of whose statement is so published by him; and provided also, that any corporation, association, partnership or individual doing a life insurance business in this State on the co-operative or mortality assessment plan, shall not be subject to the provisions of section thirty-four, and sub-sections second, third, fourth, fifth and eighth of section twenty-eight of article fifty-six of the Code of Public General Laws, title "Licenses," as amended by an act passed at January session, eighteen hundred and seventy-eight, chapter one hundred and six, nor to any other provisions of said article not applicable to the co-operative plan, but shall in all other respects comply with the provisions of said article and any amendments thereto.

**Publish
abstract.**

**In what pa-
pers.**

**When not
subject.**

SEC. 2. *And be it enacted*, That this act take effect from the date of its passage, and that all acts or parts of acts inconsistent with this act be and the same is hereby repealed.

Effective.

Approved April 14, 1880.
