

CHAPTER 265.

AN ACT to abolish and forbid the collection of double rent in Allegany county.

Rent. SECTION 1. *Be it enacted by the General Assembly of Maryland,* That no suit or action shall be maintained by any landlord, lessor or person entitled to the possession of any lands, tenements, hereditaments, situate, lying and being in Allegany county, to recover double the yearly value of such lands, tenements or hereditaments from any tenant or tenants holding over after the determination of his, her or their tenancy.

Effective. SEC. 2. *And be it enacted,* That this act shall take effect from the date of its passage.

Approved April 3, 1890.

CHAPTER 266.

AN ACT to authorize the paper board manufacturing company of Baltimore city to issue bonds and to acquire, hold and use property and rights for supplying water for its manufacturing processes and for driving its machinery.

Bonds. SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the paper board manufacturing company of Baltimore city, a body corporate duly incorporated in accordance with the general incorporation laws of this State, for the purpose of manufacturing paper board from straw and fibre, be and the same is hereby authorized and empowered to borrow money, if the same is needed, to equip and complete its works, and to issue therefor its bonds secured by mortgage of its property, and to obtain, provide and apply such supply of pure water as may be requisite for its manufacturing processes, and such water power as may be desired to provide motive power for its machinery, and to that end said company shall be and it is hereby vested with authority to acquire a suitable site on Herring run, in the vicinity of Baltimore city near the Philadelphia turnpike, and to erect thereon a water power; and said company shall have authority to acquire, hold and use such real and personal property and rights and easements and such title, rights, interests and easements in the bed, banks and waters of Herring run, and any other streams as may be proper to produce such supply of water and provide such water power as they may desire, and to construct such dams, reservoirs, conduits, race channels, forebays and other works as may be requisite to produce such powers and deliver the same at the said site.

Easemen's

SEC. 2. *And be it enacted,* That in case said corporation cannot
