

Lien. State shall be and constitute a lien to the amount and from the date thereof upon all leasehold interest and terms for years of the defendants on land, except leases from year to year, and leases for terms of not more than five years and not renewable, to the same extent and effect as liens are created by judgment upon real estate, and a certified copy of the docket entries from the clerk of the court where any judgment is obtained, or magistrate judgment originally recorded, when recorded upon the judgment record of any other court in the counties of this State or the city of Baltimore, shall be and constitute a lien, from the date of its being so recorded, upon the property of the defendant in said county or city of Baltimore, to the same extent as in the county or city, where the said judgment was originally obtained or magistrates' judgment originally recorded.

Effective. SEC. 2. *And be it enacted*, That this act shall take effect from the date of its passage.

Approved April 3, 1890.

CHAPTER 315.

AN ACT to authorize the governor of Maryland to appoint a notary public in the town of Brunswick, in Frederick county, Maryland.

Notary. SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the governor of said State be and he is hereby authorized to appoint a notary public in and for the town of Brunswick, in Petersville district number twelve, of Frederick county, Maryland.

Effective. SEC. 2. *And be it enacted*, That this act shall take effect from the date of its passage.

Approved April 3, 1890.

CHAPTER 316.

AN ACT to repeal section one hundred and seventy-eight, of article two, of the Code of Public Local Laws, title "Anne Arundel county," sub-title "Justices of the Peace and Constables," and re-enact the same with amendments.

Repeal SECTION 1. *Be it enacted by the General Assembly of Maryland*, That section one hundred and seventy-eight, of article two, of the Code of Public Local Laws, title "Anne Arundel county," sub-title "Justices of the Peace and Constables," be and the same
