

whole by residents of said county from the date of the construction and completion of said boat, canoe or vessel; that he will not allow the said boat, canoe or vessel to be used in taking and catching crabs with scrapes, drags, dredges or similar instruments, in the waters of said county by any person who has not been a *bona fide* resident of said county for the term of twelve months next preceding his using said boat, canoe or vessel for the purpose aforesaid, nor knowingly permit any person who has not been a *bona fide* resident of said county for the time aforesaid, to be employed upon said boat, canoe or vessel in any capacity in taking and catching crabs as aforesaid in said waters.

SUB-SEC. 4. Any owner or other person using any boat, canoe or vessel in taking and catching crabs with scrape, drag, dredge or similar instrument in the waters of said county, under a license granted by this act, shall, before using said boat, canoe or vessel as aforesaid, paint in black figures, upon white canvass, two sets of numbers corresponding to the number of the license issued for the use of said boat, canoe or vessel as aforesaid, each figure to be of the length of eight inches and of proportionate width, and the figures at least three inches apart; one of said pieces of canvass, with the number painted thereupon, the owner or person using said boat, canoe or vessel as aforesaid, shall have firmly sewed upon the starboard side, and near the middle of the largest sail of said boat, canoe or vessel licensed as aforesaid, and the other piece of canvass, with the number painted thereupon, upon the port side, and near the middle of the said largest sail of said boat, canoe or vessel; these numbers shall be placed in an upright and conspicuous position upon said sail, and worn at all times during the crabbing season hereinbefore mentioned, and said numbers shall not be concealed or defaced, and no other number shall be used or exposed to view except the true number on said license. Numbers.

SUB-SEC. 5. The school commissioners of said county shall, before the fifteenth day of April of each year, furnish to the clerk of the circuit court for Dorchester county the requisite number of printed blank licenses, in such form as required by this act, and take from said clerk a receipt therefor; the said clerk shall be allowed as a fee for each license issued by him under this act, the sum of fifty cents, and the residue of said license money shall be paid by him at the end of each crabbing season to the said school commissioners for the public schools of said county, and at the same time the said clerk shall return to the said school commissioners all of said blank licenses not issued by him, together with a list of the licenses issued, containing the names of the owners, the number of the licenses and the names of the boats. Blanks.

SUB-SEC. 6. It shall be the duty of the State fishery force to aid in the enforcement of the provisions of this act; the sheriff and constables of said county, and the officers of the said fishery
