

shall be made public, at such times and places as may be determined by the members thereof respectively ; at said stated or special meetings a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for examination for a license to practice medicine and surgery in this State, said register for license shall show the name, age, and last place of residence of each candidate, the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this act, but such matters shall not be written in said register or made public until after the examination.

42. At the first meeting of an examining board, or at a stated or special meeting held subsequently, suitable provisions shall be made by each of the examining boards to prepare a schedule of written examination upon anatomy, physiology, chemistry, surgery, practice of medicine, *materia medica* and therapeutics, obstetrics, gynecology, pathology, medical jurisprudence, and hygiene, and shall require the same standard of excellence from all candidates. In the department of therapeutics and practice the questions shall be in harmony with the tenents of the school selected by the candidate ; the standard of acquirements therein to be established by each board for itself. Whenever members of any board are necessarily absent from meetings held for the examination of applicants for license, suitable temporary provision shall be made for thorough examination in each and all of the aforesaid subjects by the members present. The examination shall be fundamental in charter and such as can be answered in common by all schools of practice. The votes of all the examiners present shall be "yes" or "no," written with their signature upon the backs of the examination papers of each candidate for the respective branches.

43. That all persons commencing the practice of medicine or surgery in any of its branches after the passage of this act by the General Assembly shall make a written application to the president of either Board of Medical Examiners which said applicant may elect, together, with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has either received a diploma conferring the degree of Doctor of Medicine from some legally incorporated medical college in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery
