

in some foreign country and has also both studied medicine three years and attended three courses of lectures in different years in some legally incorporated medical college or colleges prior to the granting of said diploma or foreign license ; provided, that two courses of medical lectures both of which shall be either begun or completed within the same calendar year, shall not satisfy the above requirement, provided, that this condition shall not apply to students who shall be in their second year in a medical college, nor physicians who shall be practicing medicine at the time of the passage of this act. Such proof shall be made, if required, upon affidavit, upon the making of said application and proof and payment of fee as provided ; the president of the board to whom such application was made, if satisfied with the same, shall direct the secretary thereof to issue to said applicant an order for examination, and when said applicant shall have passed an examination as to proficiency satisfactory to said board, the president shall grant to such applicant a license to practice medicine and surgery in the State of Maryland.

44. That all examinations shall be conducted in such manner that the name, school of graduation and preparatory training of said applicant shall not be made known to the board of examiners until his examination papers have been graded. An applicant receiving a majority of the votes of the board before whom the applicant appears shall be considered to have passed a satisfactory examination and entitled to the license of said board.

How examination to be conducted.

45. That a fee of ten dollars shall be paid to the secretary of the board before whom the applicant appears, before such examination is had, which said fee shall be applied by said board towards paying the expenses of said board.

Fee

46. That the board shall refuse to grant a license to any applicant who may be radically deficient in his examination in any essential branch ; provided, that in case of failure at any such examination the candidate, after the expiration of one year from his rejection, shall have the privileges of another examination by the board to which application was first made.

To refuse license

47. That every license to practice medicine and surgery issued pursuant to the provisions of this act shall be subscribed by the president and secretary of the board before whom applicant passed, and by each medical examiner, who reported the licentiate as having successfully passed said examinations. It shall also have affixed to it by the person authorized to fix the same, the seal of said Medical

License—by whom signed.
