

least twenty days before their first meeting, of the time, place and object of said meeting.

Approved April 7th, 1892.

CHAPTER 494.

AN ACT to amend the charter of the "M. J. Grove Lime Company of Frederick County," by authorizing the said company to purchase and hold lands in this and other States, districts and territories of the United States, to enlarge its powers, increase the capital stock and perpetuate the existence of said corporation.

Preamble. WHEREAS, the "M. J. Grove Lime Company of Frederick County," a corporation created by certificate and existing under the Code of Public General Laws of the State of Maryland, providing for the creation of corporations as will appear from the record of corporations in the office of the clerk of the Circuit Court for Frederick County, by article second of its certificate of incorporation is authorized and empowered to conduct a business for the manufacture and sale of lime, and for the purchase and sale of hard and soft coal, coke, wood, dynamite, powder, fuse and general merchandise, and for the sale of limestone, and with that end in view, to purchase such property, real and personal, as may be necessary to accomplish its objects, and

Preamble. WHEREAS, the said corporation is desirous of extending its operations in this State and other States, districts and territories of the United States; therefore,

M. J. Grove
Lime Co. SECTION 1. *Be it enacted by the General Assembly,* That the charter of the "M. J. Grove Lime Company of Frederick County," a corporation of the State of Maryland created by certificate under the provisions of article twenty-three of the Maryland Code of Public General Laws entitled "Corporations," be and the same is hereby amended and the said corporation is hereby authorized to purchase, hold, enjoy and possess real estate in this State and in other districts and territories in the United States, and with full power to sell and convey the same as any individual might or could do, and with full power to establish and build kilns for the manufacture of lime in this State and in other States, districts and territories in the United States, and with full power to establish stores and warehouses for the purpose of storage and sale of articles manufactured by said corporation
