visors

192- The county commissioners shall keep a separate account of all expenses incurred for opening, constructing or repairing the public road, and each election district thereof. And they shall provide for the payment of said road expenses by levying upon the assessable property in each election district of said county a tax sufficient to pay the said expenses incurred as aforesaid for the opening, construction and repair of the public roads in the respective election districts of said county. And they shall not levy any road tax upon the assessable property in any election district of said county, except to pay for the opening, construction and repair of the public roads of said county in such election district, provided, however, that whenever any public road forms the divisional line between two or more election districts the expenses incurred for opening, constructing or repairing the same shall be assessed against
