

person shall have been notified by the road supervisor to remove said obstructions and shall have failed so to do for the space of two days after said notification, and provided further that the person so placing said obstructions in or upon the public road or in the side ditches thereof, shall be liable for a fine of five dollars for each day that he permits said obstruction to remain, the said fine to be in addition to the original fine of five dollars, which said additional fine shall be imposed by said justice and enforced in like manner as said original fine, and the said justice of the peace shall pay over to the county commissioners of Howard County said fine when received by him to be placed to the credit of the district in which it has been imposed, and said fine shall be collected as other fines are collected by justices of the peace.

Levy for roads. SEC. 110. *And be it enacted,* That the county commissioners shall annually levy upon the assessable property of Howard County at the time of making the county levy not less than twenty cents or more than thirty cents on the one hundred dollars, for the use of the county roads, which shall be collected as other county taxes are collected, and the tax so levied and collected for roads shall be set apart as a special road fund which shall be for the use and benefit of that district from which it has been collected, and for no other purpose.

Road fund—how applied. SEC. 111. *And be it enacted,* That of the taxes levied and set apart as a special road fund not less than three-fourths thereof shall be expended in the purchase of broken stone or other hard material to be used on the roads in such manner as the commissioners with the assistance of the supervisor may determine unless on application of the taxpayers resident in the neighborhood the commissioners may determine upon any section of road to devote a larger proportion than one-fourth of such fund to grading or other pressing needs; and the county commissioners may, if it shall appear to be in the interest of economy purchase one or more stone crushers out of the fund set apart as the general road fund for the purpose of crushing stone for use of the roads to be operated in such manner as they shall determine.

Private contributions for public roads. SEC. 112. *And be it enacted,* That whenever any person or persons shall desire to improve any road to an extent beyond that contemplated by the county commissioners, and the supervisors of the district when it is located, he or they may make application to the commissioners by petition setting forth the location of the road to be improved, the extent and character of the improvement, and the probable cost thereof, and if the county commissioners after consid-
