

## CHAPTER 125.

AN ACT to provide for paying the costs and expenses of grading Wilkens' avenue from Gwynn's Falls to the Rolling road, in Baltimore county, by the commissioners of said county.

Preamble.

Whereas, under an Act of the General Assembly, passed April fourth, eighteen hundred and seventy, and a further act, passed March twenty-third, eighteen hundred and seventy-six, the Commissioners of Baltimore county, upon certain conditions therein stated, were authorized to have Wilkens' avenue from Gwynn's Falls to the Rolling road graded; and whereas the County Commissioners of Baltimore county did contract with P. O'Brien and others for the grading of said avenue from the west side of Gwynn's Falls to the east side of the Rolling road, in said county; and whereas, although the work was executed and completed eastward from the Rolling road until it intersects with the Maiden's Choice road, at the Baltimore and Potomac Railroad, where said contractors were stopped by injunction, the claim of the contractors and their associates in said work remains unpaid by reason of alleged omissions and errors of the said Commissioners of Baltimore county; now, therefore,

Commissioners authorized to pay.
