REPORTS OF SELECT COMMITTEES.

Mr. Talbott, from a Select Committee, reported favorably,

Senate bill entitled an Act to build and repair the bridges and public roads of Calvert county.

With the following proposed amendments :

AMENDMENTS PROPOSED.

After the word "proposal," in line 20, of section 1, add the words "if there be any such proposals."

After the word "performance," in line 23, add the words "but in event that there be no such proposals submitted, then the Road Commissioners, as a body, shall have power to contract in the name of said county with any one proposing, the proper qualifications and ability, subject to the provisions of this Act."

Strike out the words "Road Commissioners" in line 24, and insert in lieu thereof the words "the Road Commissioners of the Election District wherein the said work shall have been done."

Which was adopted.

Said bill, as amended, was then read the second time and ordered to be engrossed for a third reading.
