

Deposit in Cecil county, and the said rail road when constructed, shall be regarded as part of the present rail road of said company, and have all the privileges and exemptions, and immunities of the present rail road of said company, and subject to all the obligations of every description of the present rail road, except that the rail road hereby authorised, shall not in any manner be responsible for any of the debts of said company heretofore contracted.

SEC. 9. *And be it enacted*, That the company may enter upon and hold any lands necessary for the construction of the rail road hereby authorised, and the station houses and depots, and other necessary appurtenances, to have and hold the same in fee simple, and for this purpose may agree with the owner or owners of such land, and if the said company cannot agree with the owner or owners of such land, or if the owner or owners be feme coverts, infants or non compos mentis or absent, then the said company shall have the same power and authority to have condemned such lands, as may be necessary for the purposes of said rail road, as is conferred on such company for the condemnation of lands, by the act entitled, an act to incorporate the Baltimore and Port Deposit rail road company, by inquisition or otherwise, subject to such restrictions, provisions or conditions as are imposed by the said act relating to the condemnation of lands, and entitled to such privileges as are conferred thereby.

Company may hold lands necessary for rail road authorised.

SEC. 10. *And be it enacted*, That the said company shall have full power to mortgage the rail road hereby authorised to be constructed, for the purpose of borrowing money to construct the same, and shall have power to mortgage the bridge and present rail road for the same purpose.

Power to mortgage rail road to be constructed.

SEC. 11. *And be it enacted*, That the rail road hereby authorised to be made, shall be completed and in good order for the running of cars, within six months after the bridge hereby authorised is so far completed as to admit of the passage of cars.

Road—when to be completed.

SEC. 12. *And be it enacted*, That the said company shall have the same power to obtain materials for the construction of the rail road hereby authorised, by contract or otherwise, which is conferred on said company by the act aforesaid.

Power to obtain materials

SEC. 13. *And be it enacted*, That the said company shall run as many trains of cars on the road hereby authorised, as may be necessary to transport all the freight and passengers offered at their depots on said rail road for transportation.

Trains of cars to be run.
