AN ACT to authorise the School Commissioners, of Frederick county, to establish a new School District in said county.

Preamble.

WHEREAS, It is represented that by the original division of primary school districts, in Frederick county, the people of a certain locality, in consequence of their remoteness to the nearest school, and the bad condition of the roads leading thereto, are not only greatly inconvenienced thereby, but in many instances entirely deprived of the benefit growing out of the free system of education; Therefore,

Entitled to school fund.

SEC. 2. *And be it enacted*, That the new school district, so laid out, shall be entitled to a just and reasonable proportion of the school fund; shall elect its own trustees, and in all other respects shall have the same rights, privileges and immunities, as are now enjoyed by the other school districts of the county.

In force.

SEC. 3. *And be it enacted*, That this act shall take effect from the date of its passage.
