

trustees are authorised to receive contributions, and to draw for any sum not exceeding one hundred and fifty dollars, on the county commissioners of Saint Mary's county, who are hereby authorised to levy the same on the assessable property of the county, and to pay the same over to the said trustees or their order, upon their complying with the requisitions of the fourth section of the act recited in this section.

SEC. 4. *And be it enacted*, That the county commissioners of Saint Mary's county, are hereby required to include any and all school districts laid out or defined by virtue of the provisions of this act, in the number of primary school districts of the county, and to distribute to the trustees of such school district, such equal proportion or sum of money, as such school district shall be entitled to, from the school fund of said county, in the same manner, as if such school district had been provided for, in the act of December session, eighteen hundred and thirty-eight, chapter three hundred and sixty-two.

Commissioners to distribute money.

SEC. 5. *And be it enacted*, That the county commissioners of Saint Mary's county, the commissioners of primary schools in the several election districts of the county, and the trustees of primary schools, created under this act, are hereby authorised and required to exercise the same supervisory powers, management and control over any school district that shall be created by virtue of this act, and to extend to every such school district, the advantages and benefits of all the provisions, which they are now required to be exercised over, and extended to primary school districts heretofore created by virtue of the act passed at December session, eighteen hundred and thirty-eight, chapter three hundred and sixty-two, and the supplement thereto.

Supervisory powers.

SEC. 6. *And be it enacted*, That in all cases, in which it is desirable for the sake of public convenience, that a school district should be composed of parts of two or more adjoining election districts, it shall be lawful for the school commissioners of such adjoining election districts, or a majority of them, by their joint concurrence, to lay off and create such school districts composed as aforesaid; and any school district so created and laid off, shall be reckoned in the number of the primary school districts, of that election district in which the school house of such district shall be located, the first trustees for any such school district, composed as aforesaid, shall be appointed by the school commissioners of the adjoining election districts, of parts of which said school district is composed, but after the erection of a school

Adjoining election districts.
