

along the road or roads of the said company, without the license or permission of the president and directors of the said company.

Property transferred.

SEC. 17. *And be it enacted*, That all the property and effects of every description, which were by the Eastern Shore Rail Road company, incorporated by the act of Assembly, passed at December session, eighteen hundred and thirty-five, chapter two hundred and thirty-eight, transferred, or assigned and surrendered to the State of Maryland, be, and the same are hereby granted to and by this act, so far as the same may be lawfully done, transferred to, and declared to be the property of, and to belong and appertain to the company incorporated by this act, when, and as soon as the same shall be organized, as hereinbefore provided; *Provided, nevertheless*, that nothing herein contained shall be construed to transfer to the company incorporated by this act, the subscription made by the State to the capital stock of the said Eastern Shore rail road company, incorporated by the said act, passed at December session, eighteen hundred and thirty-five, chapter three hundred and thirty-eight.

Proviso.

To run cars at regular times.

SEC. 18. *And be it enacted*, That said company shall start and run their cars for transportation of passengers and property, at regular times, to be fixed by public notice, and shall furnish sufficient accommodations for the transportation of all such passengers and property as shall, within a reasonable time previous thereto, be offered for transportation at the place of starting, and at the usual stopping places established for receiving and discharging way passengers and freight for that train, and shall take, transport and discharge, such passengers and property at, from, and to such places, on the due payment of the freight or fare legally authorised therefor, and shall be liable to the party aggrieved in an action for damages for any neglect or refusal in the premises.

Bell to be placed on engine.

SEC. 19. *And be it enacted*, That a bell shall be placed on each locomotive engine, and rung at the distance of at least one hundred rods from the place where the rail road shall cross, any travelled public road or street, and be kept ringing until it shall have crossed such road or street, or a steam whistle shall be attached to each locomotive engine, and shall be sounded at intervals until it shall have crossed such road or street, under the penalty of thirty dollars for the neglect of the provisions of this section, to be sued for before any justice of the peace of the election district or ward in which such neglect may happen, in ten days after such penalty was
