

ings or premises shall be constructed in said sanitary district without the person, firm or corporation doing the work having first obtained a permit from the Commission and paid a reasonable charge therefor, and such plant shall then be installed, maintained and operated under such rules and regulations as the Commission may require or devise.

380V. The Commission shall have full and complete jurisdiction over all fire hydrants connected with its water system and no person, firm or corporation shall operate, use or make connection with the same without the written authority of the Commission, excepting that no restrictions shall apply to any bona fide fire department in the discharge of its duties. No person, firm or corporation shall tamper with, deface, damage, or obstruct any fire hydrant. Any violation of any of the provisions of this section shall be a misdemeanor punishable under Section 381J of this sub-title.

380W. The Commission shall make such charge as it shall determine to be reasonable, for every water and sewer connection as provided in this sub-title, based upon the width of the street, road, alley or right-of-way in which the connection is made; provided, however, that the connection charge on either side of the street, road, alley or right-of-way shall be uniform. All of the revenue above actual cost derived from such charges shall be retained by the Commission as a fund for repairs, replacements or any extraordinary expense in the maintenance and operation of the water supply, sewerage or drainage systems under its control.

380X. All sums collected by the Commission for benefits levied against the property for water supply, sewerage or drainage construction shall be set aside as a separate fund to be known and designated as the LaVale Sanitary District Account. The Commission, in order to determine the amount which it may deem necessary to be levied under Section 380H, shall deduct such amount as the Commission may estimate that it will be able to collect out of the benefits theretofore levied by it but not yet paid, from the whole amount necessary to be raised in any one year for interest and principal, payments on outstanding bonds, and the balance then remaining to be raised shall be the amount to be certified to the County Commissioners of Allegany County for collection by taxation as provided by Section 380H.

380Y. The rates for water service shall consist of a minimum which shall be based upon the size of the meter on the water connection leading to the property, and of a charge for water used, which shall be based upon the amount of water
