

filed with the Commission, which shall be empowered at any time to take over said system or part thereof, or said water main, sewer, storm water drain, water or sewage treatment plant, or connect on with any of them in the same manner as provided under Section 381B for systems existing at the time of the passage of this sub-title.

381F. The Commission shall be empowered to extend its water supply, sewerage or drainage systems into any area outside of said sanitary district contiguous thereto or in the vicinity thereof, when the property owners of said area shall agree to the charges, assessments and conditions that may be imposed by the Commission as hereinbefore outlined.

The Commission may enter upon and excavate any State or county street, road or alley, for the purpose of installing, maintaining and operating the water supply, sewerage or drainage systems provided for under this sub-title, and it may construct in any such street, road or alley, a water main, sewer or drain or any appurtenance thereof, on the receipt of a permit, from the proper authority, for which no charge shall be made; and a permit obtained therefor; provided, that whenever any State or County Highway is to be disturbed the public authority having control thereof shall be duly notified and a permit obtained therefor, and provided further, that said highway shall be repaired and left by the Commission in the same condition as, or in a condition not inferior to, that existing before said highway was torn up, and that all costs incident thereto shall be borne by the Commission.

381G. Any employee or agent of the Commission shall have the right of entry, at all reasonable hours, upon any private premises and into any building, in said sanitary district, while in pursuit of his official duties, upon first presenting proper credentials from the Commission, and any restraint or hindrance offered to such entry by any owner or tenant, or agent of said owner or tenant, or any other person, shall be a misdemeanor punishable under Section 381J of this sub-title.

381H. All individuals, firms and corporations excepting municipal corporations, having buildings, conduits, pipes, trucks, poles or other structures or obstructions in, on, over, under or through any public road, street or alley of said sanitary district, which shall block or impede the construction and establishment of the Commission's water supply, sewerage or drainage systems, or other works, shall upon reasonable notice from the Commission, promptly so shift, adjust, accommodate or remove such structures or obstructions as to fully meet the exigencies occasioning such action; provided, however, that the costs of such changes shall be borne and paid for by the Commission.
