

for each one million (\$1,000,000) dollars of paid up capital stock or fraction thereof in excess of one million (\$1,000,000) dollars.

“And every corporation having no capital stock so examined, such a sum of money as the treasurer may deem just and reasonable. If any corporation shall not, after due notice, pay any such charge the treasurer may apply the proceeds of the sale of, or the dividends on any stock, or the interest on any bonds and mortgages in his hands, deposited by such corporation, to the payment of such charges, with interest at the rate of six per cent. (6 per cent.,) if such corporation shall fail to pay such charges as herein required, and there are no capital stock, bonds or mortgages in the treasurer’s hands, the dividends or interest of which shall be applied in payment thereof, the treasurer shall report to the Attorney-General the failure of such corporation to pay such charges, the Attorney-General shall thereupon bring an action in the name of the State for the recovery of such charges.

“85 F. In case any such corporation now or hereafter doing business in this State, shall refuse or neglect to make the deposit hereinbefore provided, the fact shall be reported by the said treasurer to the Attorney-General, who shall thereupon, without delay, institute such proceedings as may be necessary to enjoin and restrain such corporation from transacting any business in this State, and the Court before which such proceedings shall be begun, shall be authorized to make such order or decree, and to issue such process in the premises and to enforce compliance by such corporation with the provisions of this statute, or to restrain the transaction of business by such corporation in this State, as it may deem proper.

“Sec. 2. And be it further enacted, That this Act shall take effect from the date of its passage.”

Which was read the second time.

Mr. Keys from Committee on Roads and Highways reported favorably,

Senate bill, File 398, entitled “An Act to regulate the building of bridges across the Manocacy river,
