

## REPORTS OF STANDING COMMITTEES.

Mr. Milbourne, from Committee on Chesapeake Bay and Tributaries, reported favorably,

Senate Joint Resolution, No. 5.

Resolved by the General Assembly of Maryland, That a committee of seven persons to be selected—three by the President of the Senate, and four by the Speaker of the House of Delegates, be appointed to inquire into the advisability of the State of Maryland acquiring and utilizing the debris from the great conflagration in Baltimore city, for the purpose of replenishing with clutch material, the oyster depleted bottoms of the Chesapeake Bay and tributaries, and to report back as soon as practicable the result of said investigation.

Which was read the second time and passed by yeas and nays as follows:
