

Mr. McLane from Committee on Conference, on

House bill making appropriations for the support of the State Government for the fiscal year, ending September 30th, 1879, submitted the following

REPORT.

*To the Senate and House of Delegates :*

GENTLEMEN :

The Committee of Conference on the disagreeing votes on the printed bill No. 212, entitled an Act making appropriations for the support of the State Government, for the fiscal year, ending September 30th, 1879, respectfully report that after a full and free conference, they recommend that the Senate recede from its amendment increasing the amount for Commissions to Attorneys above the \$5,000 appropriated by the House, and from its amendment reducing the appropriation to the Colored House of Reformation, from \$8,000 to \$6,000, that in lieu of the Senate amendments increasing the appropriation to the Penitentiary from \$10,000 to \$20,000, the sum of \$15,000 be inserted. That Senate Amendment appropriating \$74,940, for work done and materials furnished for the repairs of the State House be modified so as to exclude the expenditure for furniture and Architects Commission on the purchase of the same, thereby reducing the amount to \$41,696.48.

That the House concur in the Senate amendment increasing the appropriation to St. Mary's Industrial School to \$10,000, and in the Senate amendment appropriating the Salary of the Supervisor of State Tobacco Warehouses.

Respectfully submitted,

ROBT. M. McLANE,  
A. P. GORMAN,

Managers on the part of the Senate.
