

(e) To acquire in the name of the State by purchase or otherwise, on such terms and conditions and in such manner as it may deem proper, or by the exercise of the right of condemnation in the manner hereinafter provided or referred to, such public or private lands, including public parks, playgrounds or reservations, cemeteries, or parts thereof or rights therein, rights-of-way, property, rights, franchises, easements and interests, as it may deem necessary for carrying out the provisions of this sub-title; provided, however, that no compensation shall be paid for public lands, playgrounds, parks, parkways or reservations owned by the State of Maryland so taken, and that all public property damaged in carrying out the powers granted by this sub-title shall be restored or repaired and placed in its original condition as nearly as practicable;

(f) To designate the locations, and establish, limit and control such points of ingress to and egress from each motorway as may be necessary or desirable in the judgment of the Commission to insure the proper operation and maintenance of such motorway, and to prohibit entrance to such motorway from any point or points not so designated;

(g) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this sub-title, and to employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employes and agents as may be necessary in its judgment, and to fix their compensation; provided, that all such expenses shall be payable solely from the proceeds of revenue bonds issued under the provisions of this sub-title or from revenues;

(h) To receive and accept from any federal agency grants for or in aid of the construction of any project, and to receive and accept aid or contributions from any source of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made; and

(i) To do all acts and things necessary or convenient to carry out the powers expressly granted in this sub-title.

122E. (Incidental Powers.) The Commission shall have authority to construct grade separations at intersections of any project with public roads and state highways and to change and adjust the lines and grades of such roads and highways so as to accommodate the same to the design of such grade separation. The cost of such grade separations and
