

129G. Any employee or agent of said Commission shall have the right of entry, at all reasonable hours, upon any private premises and into any building in the Sanitary District, while in the pursuit of his official duties for the purpose of inspection to determine if all provisions of this sub-title and any rule or regulation promulgated hereunder are being complied with.

129H. The Commission is authorized and empowered to provide for the collection of garbage and trash within said Sanitary District, and to fix a charge therefor and enforce collection of the same. The said Commission is authorized for the purpose of carrying out this section, to contract with private individuals or corporations upon a yearly basis, or to provide for the collection and disposal of garbage and trash in any other manner it deems advisable or convenient.

129I. It shall be unlawful for any person, association or corporation, to permit any sewage, drainage, garbage or other waste matter to be discharged into Deep Creek Lake, or any tributary thereto within the boundaries of the Sanitary District.

129J. The Commission is hereby authorized and empowered to promulgate rules and regulations and issue such orders as it deems necessary to carry out the provisions of this sub-title.

129K. (a) For the purpose of providing funds for the payment of salaries and for any other expense incurred in the administration of this sub-title, there shall be levied against all the assessable property within said Sanitary District, by the County Commissioners of Garrett County, a tax not to exceed 50 cents per \$100. of assessable property in said District.

(b) Said tax shall be determined, levied, collected and paid over in the following manner: At least thirty days before the tax levying period of each year, and in the year 1947, as soon as practicable after June 1, the County Commissioners shall ascertain the valuation of all assessable property within the Sanitary District. When land and buildings subject to taxation under this section lie partly within and partly outside the boundaries of the Sanitary District, the County Commissioners are authorized and empowered to employ, at the expense of the Sanitary Commission, such assessors as may be necessary to assess the portion of the value of such land and building subject
