

Code of Maryland (1939 Edition), title "Professional Engineers and Land Surveyors", and to enact in lieu thereof nine new sections to be known as Sections 1, 2, 4, 12, 13, 14, 15, 20 and 21 (b) and (g), clarifying the provisions of said sections relating to professional engineers and land surveyors.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Sections 1, 2, 4, 12, 13, 14, 15, 17, 20 and 21 (b) and (g) of Article 75½ of the Annotated Code of Maryland (1939 Edition), title "Professional Engineers and Land Surveyors", be and they are hereby repealed, and that nine new sections to be known as Sections 1, 2, 4, 12, 13, 15, 20 and 21 (b) and (g) be and they are hereby enacted in lieu thereof, and all to read as follows:

1. General Provisions. It is hereby declared that, in order to safeguard life, health and property, and to promote the public welfare, any person practicing or offering to practice engineering or land surveying, shall hereafter be required to submit evidence that he is qualified so to practice and shall be registered as hereinafter provided; and it shall be unlawful for any person to practice or to offer to practice in this State, engineering or land surveying, as defined in the provisions of this Act, or to use in connection with his name or otherwise assume, use, or advertise any title or description tending to convey the impression that he is a professional engineer or a land surveyor, unless such person has been duly registered under the provisions of this Act.

2. Definitions.

(a) The term "Engineer" as used in this Act shall mean a Professional Engineer as hereinafter defined.

(b) The term "Professional Engineer" within the meaning and intent of this Act shall mean a person who, by reason of his special knowledge of the mathematical and physical sciences and the principles and methods of engineering analysis and design, acquired by professional education and practical experience, is qualified to practice engineering as hereinafter defined, as attested by his legal registration as a Professional Engineer.

(c) The term "Engineer-in-Training" as used in this Act shall mean a candidate for registration as a Professional Engineer who is a graduate in an approved engineering curriculum of four years or more from a school or college approved by the Board as of satisfactory stand-
