

edge and skill approximating that attained through graduation in an approved four-year engineering curriculum; or

Engineers of Long-Established Practice.

c. A specific record of twelve years or more of lawful practice in engineering work of a character satisfactory to the Board and indicating that the applicant is competent to practice engineering and provided applicant is not less than thirty-five years of age, and provided further that in the case where the evidence presented in the application does not appear to the Board conclusive, nor warranting the issuing of a certificate of registration, the applicant may be required to present further evidence for the consideration of the Board and may also be required to pass an oral or written examination or both, as the Board may determine.

(2) As an Engineer-in-Training:

Engineers-in-Training Graduation Plus Examination.

a. Graduation in an approved engineering curriculum of four scholastic years or more from a school or college approved by the Board as of satisfactory standing, and successfully passing a written examination in the basic engineering subjects; or **Engineers-in-Training—Experience Plus Examination.**

b. A specific record of four years or more of experience in engineering work of a character satisfactory to the Board, and successfully passing a written examination in the basic engineering subjects.

(3) As a Land Surveyor:

Land Surveyors—Graduation Plus Experience.

a. Graduation from a school or college approved by the Board as of satisfactory standing, including the completion of an approved course in surveying; and an additional two years or more of experience in land surveying work of a character satisfactory to the Board and indicating that the applicant is competent to practice land surveying; or **Land Surveyors—Experience Plus Examination.**

b. A specific record of six years or more of experience in land surveying work of a character satisfactory to the Board and indicating that the applicant is competent to practice land surveying; successfully passing a written, or written and oral, examination in surveying prescribed by the Board; or **Land Surveyors of Long-Established Practice.**
