

land or in any other State, Territory, or Country, provided, however, that dead upland game may be possessed five days after the close of the season to be used as food, except deer which may be possessed for thirty days after the close of the season. Provided, however, game birds or game animals killed legally in any other State or Country may be brought or shipped by express or as baggage into this State when accompanied by the person killing same upon presentation of permit from said State or Country in which said game was killed and the required hunter's license of that State or Country during any closed season for hunting of same in Maryland, provided, said game or any part thereof shall not be sold or offered for sale. Provided further, that upland game or deer may be kept for a period not to exceed 180 days from the date killed, by the "deep freeze" method where a licensed hunter has obtained a permit from the game warden to do so. Such hunter must obtain such a permit either during the season or within five days thereafter and said game warden is hereby authorized to issue such permits.

(d) Provided, however, it shall be lawful to hunt during the open season in Garrett, Allegany and Washington Counties when the ground is covered with snow; and further provided, that it shall be lawful to hunt only deer and wild waterfowl in Cecil and Worcester Counties when the ground is covered with snow.

(f) It shall be unlawful to shoot or shoot at any game bird or game animal from an automobile or other vehicle or on or within 100 yards of any paved public highway of this State or have in possession in or on an automobile or other vehicle a loaded shot-gun or rifle containing any ammunition in the magazine or chamber.

(i) It shall be unlawful for any person, except when such person holds a valid game breeder's license for fiscal year, to sell, offer for sale, purchase, or offer to purchase, barter, exchange, or buy at any time within the State of Maryland any game bird or game animal of any species (except muskrat) whether same has been caught or killed within the State of Maryland or in any other State, territory, or country, except live game may be purchased and kept in captivity for propagation purposes only upon securing a permit from the Game Warden, and the payment of One Dollar (\$1.00) for the first year and a fee of Fifty Cents (.50¢) for the renewal of said permit for each year thereafter.

23. (Export of Game.) (a) It shall be unlawful to export or ship out from the limits of the State of Maryland any
