

(i) To license and regulate the construction, operation and location of trailers and tourist camps outside the limits of incorporated towns and cities.

(j) To provide for county advertising, printing and publishing of all laws, ordinances, resolutions or regulations, adopted by the County Commissioners and the annual statements of receipts and expenditures of the County; provided, however, that the said Commissioners shall appoint an auditor or accountant within thirty days after the close of the fiscal year to audit the books and accounts of all county officers collecting, holding or disbursing funds belonging to the County and shall publish or advertise the report of said auditor or accountant immediately after its completion to the extent that the said Commissioners may deem proper.

(k) To provide for proof of all claims against the County before payment.

(l) To provide for competitive bidding for any county work and the making and awarding of contracts for the purchase of materials and supplies in excess of \$500 and to require bonds in connection with said work or contracts, whenever deemed proper; and if no bids are submitted in response to any calls therefor, to place the order as in their discretion they deem best.

(m) To provide the recording and indexing all records in the office of the Clerk of the Court, Register of Wills and County Commissioners and other officers to the extent that such matters are not provided for by general law.

(n) To prevent and remove nuisances; to prevent the introduction of contagious diseases into the County; to approve the location for the manufacturing of soap and fertilizer; to approve the location of slaughter houses, packing houses, and all places which may involve or give rise to unsanitary conditions or conditions detrimental to health; provided, however, that nothing herein shall be construed to affect in any manner any of the powers and duties of the State Board of Health or any Public General Law relating to the subject of health.

(o) To provide for grading, paving, regrading, repaving, curbing, recurbing, or repairing any road or sidewalk now or hereafter condemned, ceded, opened, widened, extended or straightened as public property and for levying for the cost thereof on the assessable basis of the County or providing for the payment of the cost thereof from the County's share of the State gasoline tax; and to provide for establishing the office of County Roads Engineer, and defining the duties and powers thereof.
