

the provisions of Sections 27 and 62 of this Article. Such transfer shall be made only upon the surrender of the outstanding license and the execution of an application by the new owner or owners, as in the case of an original application, and the payment of the sum of \$5.00 as a transfer fee, whereupon the Commission shall issue a new license for the remainder of the license year. No new license shall be issued if the outstanding license is suspended or revoked at the time of the transfer.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1947.

Approved April 25, 1947.

CHAPTER 742.

(House Bill 408)

AN ACT to repeal and re-enact, with amendments, Section 60A of Article 39 of the Annotated Code of Maryland (1943 Supplement), title "Fish and Fisheries", sub-title "Licenses", revising the provisions regarding the issue of licenses to fishermen who operated commercial fishing nets during the calendar years 1941 to 1942.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 60A of Article 39 of the Annotated Code of Maryland (1943 Supplement), title "Fish and Fisheries", sub-title "Licenses", be and the same is hereby repealed and re-enacted, with amendments, to read as follows:

60A. In addition to the licenses issued under the provisions of Section 60, the Commission shall issue additional licenses to applicants who fished for commercial purposes with the type of nets described in Section 60 prior to 1942 but who did not apply for a license prior to December 1, 1941, because they were employed in government service or an essential war industry; or if said applicant has had such a license in the past and did not apply for renewal because of some physical disability.

Immediately after the effective date of this Act, the Commission shall advertise in at least one daily newspaper of general circulation throughout the State that applications will be accepted from such qualified applicants.

Applications, together with positive proof that the applicant operated commercial fishing nets in 1940 or 1941 and
